Professional Experience

Wolverine Studios

2016-present

Freelance Web Designer and Developer

- Built websites for Fleischer Sports (Chad Fleischer - Olympic Skier), SR Clarke Executive Search Firm, Greenhouse Construction Services, and The Center For Family Outreach
- Served as the main point of contact on projects, wrote technical requirements and determined realistic timelines for Agile development, and communicated progress reports

Client: Cheddar Advertising | Broomfield, CO | Paul Angel

2019

- Executed e-commerce and creative projects following digital trends, managing internal and external communications, holding regular status meetings in person and video conferencing
- Determined realistic timelines for client needs and communicated progress reports
- Migrated client websites to WPengine and ensured SSL encryption

Client: Juris Digital | Denver, CO | Matthew Green

2019

- Developed and maintained W3C standard compliant WordPress websites from design source Photoshop files using HTML, CSS, JavaScript, Page Builders, WordPress Plugins
- Upgraded portfolio of client websites to PHP 7.2, installed updates
- Assisted with new site build outs utilizing Bootstrap / CSS Grid / Flexbox

Client: Upspring SEO | Denver, CO | Nyk Zukowski

2018

- Deployed customized SEO/SEM strategies tailored to clients' specifications, industries, and business goals through a combination of link building strategies, on-page SEO, and PPC

Client: The Center for Family Outreach | Fort Collins, CO | Jarah Vycital

2017

- Developed volunteer.tcffo.org into serverless web form with a focus on performance and an end-to-end user experience resulting in new volunteers and interns for the center

Client: Bottom Line Marketing | Denver, CO | Ryan Devers

2017

- Defined and executed e-mail marketing campaigns to promote Mother's Day sales for ~20 jewelers using custom email templates, responsive HTML, banner images, and troubleshooting technical issues with deliverability through Hubspot, Mailchimp, and Constant Contact

Client: Pro Impressions Marketing Group | Loveland, CO | Jonathan Fashbaugh

2015-2016

- Provided operational support for digital properties including front-end development, mobile, AWS cloud hosting, content management systems, MySQL databases, and cross-browser QA
- Managed online reputation for clients including social profiles, blogging, and web analytics

Allstate | Sterling Heights, MI | Cindy Borowsky

2012-2014

Licensed Sales Producer

- Called 100+ outbound leads per day to sell home, auto, and life insurance
- Upsold and cross-sold products utilizing SPIN selling techniques producing gross sales volume of \$230,000 and earning recognition as one of the agency's top sellers
- Achieved recognition as the only salesperson to meet the life insurance goal x2
- Demonstrated track record for meeting and exceeding monthly sales quotas

IT Specialist

- Configured local networks, printers, PC maintenance and installed VOIP phones for 3 offices

Owens Corning | Toledo, OH | Sara Houghtaling

2011-2012

Logistics Specialist

- Analyzed freight payables to identify and resolve root causes of conflicting payments

Customer Service Specialist

- Answered 70+ incoming calls per day to place customer orders and change orders in SAP
- Worked directly with high revenue commercial accounts, sales team members, plant leaders, and transportation specialists as necessary to satisfy customer needs
